

ALL-PRO CABINETS FULL RESPONSIBILITY WARRANTY

This warranty applies only if All-Pro Cabinets is fully responsible for:

- The sale of the cabinets
- The delivery of the cabinets
- The assembly of the cabinets
- The installation of the cabinets

All-Pro Cabinets is responsible for:

- Any damages during transit, delivery, installation, assembly, etc.
- Inspecting for damages and other defects upon completion of the job
- Checking for damages during and post-installation of the cabinets
- Taking pictures of the assembled cabinets to confirm they are in good condition post-assembly
- Ensuring that any incorrect measurements and necessary modifications are made at no additional cost

Introduction and Overview

The purpose of this warranty is to provide the client with peace of mind that All-Pro Cabinets guarantees the quality of the cabinets we offer. This warranty is valid for one (1) year(s) from the date of purchase.

Scope of Warranty

What Is Covered

All aspects not listed in the "What Is Not Covered" section

What Is Not Covered

- Discoloration due to smoking and other non-natural factors
- Natural color variations in stained cabinetry; these are not considered defects
- Damage caused from improper installation if not performed by All-Pro Cabinets
- Replacement of cabinetry or cabinetry parts that have been altered or modified from their original purpose, misused, neglected, and/or not well-maintained if not installed by All-Pro Cabinets
- Damage during transit unless delivered and installed by All-Pro Cabinets
- Damage by causes outside of our control (flood, fire, or other acts of God)
- Cabinets installed in areas that are outside the recommended storage temperatures (50-85 degrees F)

Exclusions and Limitations

This warranty does not cover the specified exclusions mentioned in Previous Section "Scope of Warranty" subsection "What Is Not Covered". Additionally, All-Pro Cabinets is not liable for incidental or consequential damages

Disclaimer

- Doors warped up to $\frac{1}{8}$ " are not considered defective
- Hinges and slides are warranted against defects in material and workmanship
- Inspect for damages and other defects upon completion of the job
- APC employees will check for damages during and post-installation
- Take pictures of the assembled cabinets to confirm the cabinets are in good condition post-assembly
- If measurements are incorrect and design/cabinet modifications need to be made, APC will be fully responsible at no additional cost

Claims Process

To file a claim, customers must:

- Report defects within three (3) days of installation completion
- Provide a detailed description of the issue along with photographs
- Submit the claim via email to info@all-procabinets.com

Resolution Of Claims

Upon receiving a claim, All-Pro Cabinets will:

- Reach out to the client to discuss the damage(s) and next course of action
- Request photographs of the claimed damage(s)
- Visit to inspect the claim of damage(s) at a \$200 Trip Charge

Miscellaneous Provisions

A project is considered closed if no reports of defects due to assembly or installation are reported three (3) days after completion of the project
